Please refer to the diagram below for information on your student's summer school site. Each summer school site is at the top of each list. Below are the schools that will feed into each site. Your student's SUMMER ADDRESS will determine their summer school site. In MAY, you will receive a notice from your child's school confirming your summer school enrollment and your designated bus stop. Edison (magnet), Carver, Monroe, and Thoreau students follow their home school.

ALL STUDENTS ADDITIONAL PM OPPORTUNITY: AEP Credits Count Summer Bridge Program 1:30-4:30pm

- Available to ALL students grades 6-12 enrolled in AM summer session.
- **Student must provide their own transportation home; buses will not be provided for PM STEM session.**
- The Summer Bridge provides an academic connection between the courses students have just completed in math and science and those that lie ahead. Three hours of STEM programming with hands on activities to enrich students in science and math will be offered in collaboration between instructors at TCC and TPS.
