Re: Medicaid Eligibility List

The Medicaid Eligibility List has recently been expanded from listing only Medicaid eligible special education students to include all students who are currently Medicaid eligible.

Several school sites are operating pilot projects which seek to increase student access to health care. Medicaid reimbursement plays a significant role in the success of these pilot projects. The principals at these sites have been receiving the Medicaid Eligibility List for their sites. If these pilot projects succeed, the goal is to increase the number of sites participating in the projects.

We are expanding the list of principals receiving the Medicaid Eligibility List to include all principals, thereby allowing you to see the potential your site may have by participating in these projects. You should have received the Medicaid Eligibility List for March. You will receive the Medicaid Eligibility List, for your site, by the second Friday of each month, thereafter. Your Medicaid Eligibility List will be sent by email as an electronic attachment.

Providers who also receive the Medicaid Eligibility List for your site are: school nurse, school psychologist, licensed counselor, physical therapist, occupational therapist, speech language pathologist, and any others that require the Medicaid Eligibility List.

If you have any questions, you may contact Dale Snow by email: snowda@tulsaschools.org or by phone: 918-746-6137.
