

# Edison

The strength of Edison lies in our staff. Edison continues to excel in developing new classes for our students all of which were developed by our teachers and approved through the College Board. Edison has become a "school of choice" with our accelerated program. In the spring of 2007, Edison's hard work was rewarded by Newsweek Magazine when Edison was ranked 310 in the top 1000 High Schools in the nation, an improvement of 250 spots within one year. Designated as a college preparatory school, Edison serves students with varied abilities in an academically challenging atmosphere geared toward excellence and student achievement, both in and out of the classroom. Edison offers over 30 clubs and organizations for our students to participate in to incorporate service learning, leadership, and character building into the school experience.

Stacey Vernon, Principal  
 2906 East 41<sup>st</sup> Street  
 Tulsa Oklahoma 74105
