

# Armstrong Update

January 22, 2009

**Culture Project Presentations** – will be Thursday of next week. With the Inauguration and community day this week the students did not quite finish. We will give them some time next week to finish and then present on Thursday. If they would like to bring props or food to share, that is fine. We will present during literacy (8:30 – 9:30).

**Overnight Update** – It is set! The dates of our overnight to Norman will be the 19<sup>th</sup> and 20<sup>th</sup> of February. Thursday the 19<sup>th</sup> we will be spending at the National Weather Center and Friday the 20<sup>th</sup> we will go to the Sam Noble Oklahoma Museum of Natural History. We are still working out the logistics of the tour of OU, the Oklahoma Geological Survey and our sleeping arrangements. We will also be printing Armstrong Overnight t-shirts for this event. We will be asking a donation of \$5-\$10 per shirt – to be determined. (They will not be crimson and cream!)

Because the Weather Center is a federal building, we are required to send a list in advance of the people who will be attending with us. If your name is not on the list, you will not be allowed in the building. **Please fill out the short questionnaire at the bottom of this letter and return ASAP.** We will be sending our finalized list to the Weather Center on Wednesday, February 11<sup>th</sup>. If you are not sure if you will be able to make it, it would be better to have your name on the list than not on the list.
