

Dear Goodall Families,

International Peace Day

Yesterday was our International Peace and fire safety community day. Firefighter Tom gave an entertaining fire safety magic show presentation and we experienced the meaning of peace in a variety of projects and stations. Ask your child about his or her favorite part of the day yesterday!

Project Presentations

Tomorrow, Friday, all Goodalls will be presenting their projects. The projects will be set up at tables for a museum-type viewing. This is very informal and the time to visit for these presentations is from 2:30-3:15.

Auction Baskets The Mayo Silent Auction, our premier fund-raiser of the year, is approaching quickly! It will be held at the new LaFortune community center on February 28th. This is a fun adult evening out where you may mingle with other Mayo adults and support our school. You should be receiving a note from your child's family teacher about the basket that will be put together for the auction.

Sincerely, *The Goodall Team*

Upcoming Dates:

- 1.23 Project Presentations 2:30-3:15
- 2.09 Bring your families to school days... look for more details soon!
- 2.12 Friendship Parties
- 2.13 No School- Teacher PD

- 2.17 Mayo Lottery Drawing @ Thoreau
- 2.27 Field Study to Body-ology Convention Center

Field Study, February 27th

At the end of February, we will be taking a field study downtown to a program called "Body-ology". We will have studied some basic needs of our bodies by that time and be ready to do some exploring of systems that provide for our everyday lives and systems that enhance our lifestyles. If you would like to check out the program visit this website:
