

Dear Parents,

Let me introduce myself, my name is Rodney Byers and I am the Webster Band Parent President for the 2008 – 09 school year. My wife Debi and I would like to invite you to become an active member of the band parent organization.

We are looking forward to another successful year under the direction of our band director Maria Snow. We are also looking forward to getting to know you and your kids. With such a growing group of kids, our involvement means a lot. Participation in areas such as; set up/tear down, fund raising, chaperoning and planning is crucial to successful performances. Therefore, I am asking you to consider becoming involved in the success of the band by giving of your time and talents this year.

If we all do our part, we will see first-hand the difference we can make, and no one gets burdened by trying to do it all. I know time is one of our fewest commodities and everyone works hard and has other commitments for their time, but if we all do a little, it will be valuable time spent with our children. This is a very talented group of musicians and you too will be encouraged by how much your child grows and improves in the coming years. With our help and encouragement they can only get better.

There will be a payment schedule for the spring trip this year that is designed to accumulate the needed funds for each student to go and at the same time be as convenient as possible. The payment breakout is as follows;

September deposit: \$125.00

October Payment: \$75.00

November Payment: \$75.00

January payment: \$75.00

February payment: \$75.00

As you can see there is no payment due in December, and the final payment in February could be less than \$75.00, you will be informed of that payment amount.

Thanks ahead of time for your support; I hope you all have a great summer. Encourage your kids to practice over the summer and we will see you at band camp. If I can answer any questions you may have, please give me a call or email me at 918-633-9947 or rbyers@ong.com.

Please make plans to attend our first band parent meeting to be held on July the 29th at the band room at 6:30 p.m. We will need help in several areas this year, a few of those are; Officers, Chaperones, Hospitality, Equipment Crew, etc. So please be thinking about areas you could help and we will see you on the 22nd.

Sincerely,

Rodney Byers
