

Warrior Spirit Summer Rehearsal Schedule

Tips for success...

- Students arrive early for all rehearsals – you should arrive early enough to allow yourself time to be prepared to begin the designated activities at the designated time.
- **Wear sunscreen, WEAR TIED shoes (no sandals no flip-flops no slip-on shoes) and cool, loose clothing – 2-piece swim wear for ladies is not acceptable. A hat and sunglasses are also good ideas. Use your best judgment and protect yourself from the sun.**
- Make sure you bring a container with water each day. There will be water coolers for your use but you should bring your own and use the coolers for refills. There probably won't be cups.
- Eat breakfast before coming so you will have the energy to do your best. Bring healthy snacks if you think you need them, staying away from sweet snacks like Twinkies.
- You will have 45 minutes to an hour for lunch each day. Make sure you either bring money or a sack lunch for this period. The cafeteria is not open during this time. *Do not leave by yourself.*
