Thanks to the support of Tulsa voters, the 2015 Bond funded a new stadium for the school's student athletes to compete and practice.

The 2021 Bond for Tulsa Public Schools will add to the stadium with new visitor stands on the west side of the stadium.

Working in partnership with the Tulsa Parks Department, the 2021 Bond package will also fund a new all-weather turf softball diamond to the west of the stadium; this field will be available for both Rogers students and other student athletes in our district.

At Rogers, the 2021 Bond for Tulsa Public Schools will also fund:

- » Major remodeling and expansion of the cafeteria space to include an outdoor covered dining area, creating flexible working space for students throughout the day;
- » Upgrades to the auditorium lighting and sound system, new stage curtains, repainting, and accessibility improvements; and
- » Repairs and upgrades for the HVAC system federally funded by the CARES Act.
